2. Condominium's Review of Work as Proposed. Unit Owner acknowledges that the Condominium's designated engineer, may at Unit Owner's expense, (a) review the Plans for the Work and (b) from time to time observe the Work to ensure that the Work conforms to the approved Plans and is otherwise in conformity with the requirements of this Agreement. Unit Owner shall provide access to the Apartment, from time to

Unit Owner shall make all corrections specified by the Condominium as a result of such inspections, necessary to bring the Work into conformity with the Plans. The Condominium shall notify the Unit Owner as to when inspections will be required.

Unit Owner shall promptly correct all parts of the Work (whether or not such work is fabricated, installed or completed) rejected by the Condominium because of its failure to conform to the Plans and specifications previously approved by the Condominium or with the requirements of this Agreement or the laws, rules, orders or regulations of any governmental authority having jurisdiction over the Building or which violates any policy of insurance maintained by the Condominium. 5. Work Done at Unit Owner's Risk. However, the existence of such insurance shall not relieve Unit Owner of any liability. If the Managing Agent advises Unit Owner of any damage, which in the Managing Agent's opinion, was caused by the Work, Unit Owner shall promptly submit such claim to Unit Owner's insurance carrier and to Unit Owner's contractor(s) or subcontractor(s) for submission to their insurance carrier, as appropriate. Unit Owner agrees to use all reasonable efforts, and to cause the contractor(s) and subcontractor(s) likewise to use all reasonable efforts, to cause any insurance carrier insuring Unit Owner or Unit Owner's contractors or subcontractors to expeditiously review and settle damage claims for which they are responsible.

6. Indemnification by Unit Owner. Unit Owner hereby indemnifies and holds harmless the Condominium, the Condominium's Designated Engineer and employees, the Managing Agent, and other Unit Owners and residents of the Building against any damages suffered to persons or property as a result of the Work. Unit Owner shall reimburse the Condominium, the Condominium's Designated Engineer, Managing Agent, and other Unit Owners and residents of the Building for any losses, costs, fines, fees and expenses (including, without limitation, reasonable attorney's fees and disbursements) incurred as a result of the Work and/or the Unit Owner's or any contractor's or consultant's failure to conform with this Agreement or any law or ordinance and which may be incurred by the Condominium in the defense of any suit, action, claim or violation in connection with the Work or the abatement thereof.

7. All Costs Associated with Work Done at Unit Owner's Expense. Unit Owner accepts sole responsibility for the Work and for all costs in connection with the Work. If the Condominium obtains legal, engineering or architectural advice either prior or subsequent to granting permission for the Work, Unit Owner agrees to reimburse the Condominium, on demand, for any reasonable fees (including attorney's fees) incurred. 9. Unit Owner's Responsibility for Consequences of Work. Unit Owner and any successor-in-interest assume(s) all risks of damage to the Building and its mechanical or electrical systems, and to persons and property in the Building which may result from or be attributable to the performance or existence of the Work and the maintenance and repair of any alterations and installations in the Apartment after completion. This responsibility covers all aspects of the Work, whether or not structural, including without limitation, weather-tightness of windows, exterior walls or roofs, waterproofing of every part of the Building directly or indirectly affected by the Work, and maintenance of all heating, plumbing, air-conditioning and other equipment installed or altered pursuant hereto. If the operation of the Building, or any of its equipment, is adversely affected by the Work, Unit Owner, when so advised, shall promptly remove or correct the cause of the problem as determined by the Condominium. Unit Owner agrees that any air conditioning units, terrace plantings and/or structures, wherever located in the Building, may be removed by the Condominium for the purpose of repairs, upkeep or maintenance of the Building, at the sole expense of the Unit Owner. If the Unit Owner does not promptly remove or correct the problem, the Condominium may have the problem corrected and the Unit Owner shall be liable for all costs and expenses incurred therein.

10. Prohibited Construction Methods. Unit Owner recognizes that there will be no change in the operation of the Building's heating system, ventilation system or air-conditioning system, if any, to facilitate the functioning of any heating or air-conditioning units Unit Owner may be installing. Unit Owner will not interfere or permit interference with the Building's intercom system, gas, electric, plumbing or any other service. Unit Owner agrees that exterior masonry walls shall not be penetrated.

11. Completion of Work. The Unit Owner shall use the Unit Owner's best efforts to ensure that the Work is completed expeditiously, but in any event all Work shall be completed within _____ days from the date of commencement of the Work, or such other period as the Condominium, in writing, designates (the "Completion Date"). The Condominium expresses no opinion regarding the feasibility of completion of the Work within this time period. If the Work shall not have been completed by the Completion Date, the Condominium shall be entitled to apply, from the security funds provided pursuant to paragraph 1(b) of this Alteration Agreement, the sum of \$500.00 per week for each week the Work remains incomplete. These amounts are acknowledged to be liquidated damages, and not a penalty, to compensate the Condominium and the Condominium's Unit Owners for the costs and inconvenience of the continuation of the Work, it being understood that the damages caused by continuation of the Work would be difficult to determine. The Condominium's application of the security funds provided pursuant to paragraph 1(b) of this Agreement as aforesaid shall be without prejudice and in addition to all other remedies the Condominium may have. If the security funds provided pursuant to paragraph 1(b) are fully applied, the Unit Owner agrees to pay all amounts due under this paragraph to the Condominium in weekly installments. The determination of whether the Work is completed shall be made by the Condominium, and the Condominium's determination shall be conclusive. The Unit Owner agrees that any

consent by the Condominium to perform Work after the Completion Date may be revoked by the Condominium immediately if the Unit Owner fails to comply with any requirement of this Agreement or extension of the Completion Date.

12. Work Hours and Noise. The Work shall be performed, only between the hours of 9:00 a.m. and 4:30 p.m. The Work shall not be performed on Saturdays, Sundays and holidays. The Condominium shall be the sole arbiter should there be any doubt as to noise levels which may be disturbing.

13. Unit Owner's Security Deposit. As security for the faithful performance and observation by Unit Owner of the terms and conditions of this Agreement, Unit Owner has deposited the sum indicated in paragraph 1(b) with the Condominium. In the event that Unit Owner or persons engaged by Unit Owner to perform the Work cause loss, cost or expense to the Condominium, including without limitation any loss, cost or expense arising from or relating to (a) the fees of the Condominium's Designated Engineer to review the plans and specifications or to review from time to time the progress of the Work; (b) the fees of the Condominium's attorneys engaged in the event of Unit Owner's breach or alleged breach of the provisions of this Agreement, or otherwise in connection with the Work; (c) damage to the carpeting or wallpaper in the Building's hallways or to any common area (including without limitation, the cost of cleaning, shampooing, painting or repairing the same if soiled or otherwise damaged); (d) delays in completion of the Work, as more specifically referred to in Paragraph 11 of this Agreement, or (e) any other expenses incurred by the Condominium in connection with any complaints or breach of this Agreement. Unit Owner agrees that the Condominium may use, apply or retain the whole or any part of the security so deposited and the interest earned thereon, if any, to the extent required for the payment thereof. If the deposit is diminished by one-half of the original amount, Unit Owner shall replenish it to the full amount within (3) days after written demand. Unit Owner's failure to so replenish the security deposit shall be a material breach of this Agreement and shall entitle the Condominium to stop the Work, and/or exercise any remedies it has hereunder. If Unit Owner shall comply with all of the terms and conditions of this Agreement, the security deposit and interest or remaining balance thereof, if any, shall be returned to Unit Owner.

14. Accessibility. Unit Owner agrees that all water, steam, and gas valves will be reasonably accessible. If any portion of the Work should enclose such valves, contrary to the provisions of this Agreement, if requested by the Condominium's Designated Engineer, such portion shall be uncovered at Unit Owner's expense for observation. Such enclosure shall be opened and replaced at Unit Owner's expense.

15. Use of Public and Common Areas During Work. Unit Owner will not allow the halls, sidewalks, courtyards and other public areas to be used for the storage of building materials or debris and agrees that the floor of the back halls to be used in connection with the Work will be covered with construction paper during the Work. If the Work mars or damages the back hall, stairs, or elevators, the Condominium may repair them at Unit Owner's expense upon the completion of the Work. Unit Owner will take or cause their contractors to take all precautions necessary to prevent damage to the carpeting and wallpaper in the Building's hallways, elevators (including the doors and appurtenances) and to other common areas during the progress of the

Work. If Unit Owner shall fail to promptly perform any repair, Unit Owner shall promptly pay all reasonable bills for such repairs.

16. Unit Owner to Maintain Certain Safety Precautions. Unit Owner agrees that functioning fire extinguishers and smoke alarms will be maintained in the Apartment during the Work. Unit Owner agrees that the Work shall not block access to any fire exits in the Building. Materials and rubbish will be placed in barrels or bags before being taken out of the Apartment. All such barrels or bags, rubbish, rubble, discarded equipment, empty packing cartons and other materials will be taken out of the Building and removed from the Apartment at Unit Owner's expense. Unit Owner recognizes that only the service elevator may be used for such removal and only at such times as the superintendent of the Building may direct. Unit Owner shall not permit any dumpster or garbage container to be left overnight in front of the Building and shall not permit any dumpster or garbage container to be left for more than five (5) consecutive days at the sides of the Building. Notwithstanding the foregoing, the placement of any dumpsters must comply with all governmental regulations, including without limitation, obtaining any necessary permits.
- b. The Federal Task Force on Lead-Based Paint Hazard Reduction has recommended certain maintenance practices, including (1) limiting access to the work area to only workers, (2) isolating the work area with polyethylene plastic or equivalent, (3) protecting the workers, (4) protecting the Unit Owner's belongings by covering or removing them from the work area, (5) wetting the painted surfaces before disturbing the paint and (6) wetting the debris before sweeping. The Task Force has indicated that certain removal practices are unsafe, including (1) open flame burning, (2) power sanding or sandblasting (unless a special vacuum attachment is used to contain dust), and (3) dry scraping more than a de minimis surface area (de minimis means an area of less than one square foot per room). The Unit Owner shall cause the Unit Owner's contractors and/or workers to perform their work consistently with the recommendations of the Task Force and shall upon completion of the work perform specialized cleaning of the work area using methods designed to safely remove dust and debris which may contain lead.
- c. No more than sixty (60) days prior to beginning renovation activities in the Apartment, the contractor shall provide the Unit Owner with the Environmental Protection Agency (the "EPA") pamphlet entitled, Protecting Your Family from Lead in the Home, (the "Pamphlet"). If the Apartment is occupied by other than the Unit Owner, the contractor shall provide the

occupant with the Pamphlet. The contractor shall be responsible for obtaining the Unit Owner's or the occupant's written acknowledgment of receipt of the Pamphlet or a certificate of mailing evidencing same. The Unit Owner hereby acknowledges that the Condominium has no liability or obligation in connection with this notification requirement of the EPA.

18. Unit Owner to Comply with Laws, etc. Unit Owner shall not do or permit any act or thing to be done contrary to law, or which will invalidate or be in conflict with any provision of any liability, multi-peril casualty or other insurance policies carried by Unit Owner or for Unit Owner's benefit. Unit Owner shall comply with all federal, state and local laws, rules and regulations pertaining to asbestos and other hazardous material, as the same have been or may be promulgated, supplemented or amended from time to time prior to and during the abatement-work.

19. Acceptance of Responsibility by Unit Owner and Unit Owner's Successor in Interest.

- a. The Unit Owner releases the Condominium, the Managing Agent, the Condominium's agents and employees from any liability for damage to the portions of the Apartment affected by the Work which may occur in the performance of building maintenance repairs. Notwithstanding anything to the contrary contained in the By-laws, the Unit Owner accepts sole responsibility for the Work and costs in connection with the maintenance, repair, restoration or replacement of any portions of the Apartment affected by the Work, and acknowledges that such responsibility shall pass to the Unit Owner's successor-in-interest in the Apartment.
- b.
