Re: Local Law 147

Dear Shareholder:

In August 2017, New York City passed Local Law 147, which requires residential buildings with three or more residential units to have a policy on smoking and to notify all Owners and residents. This guide explains the purpose of this law and offers recommendations on how to meet its requirements. This law goes into effect on August 30th, 2018. Local Law 147 seeks to protect residents from the dangers of secondhand smoke, so they may make informed decisions about where to live. Secondhand smoke is smoke that comes from burning any products used for smoking or that is exhaled by smokers.

The law requires that owners of buildings with three or more residential units:

- Create a policy on smoking and periodically notify the residents and owners of the policy.
- Identify where smoking is and is not allowed on the property, including all indoor and outdoor locations. (The Smoke-Free Air Act bans smoking tobacco or non-tobacco products and using e-cigarettes in common indoor areas.)
- Provide an annual notification of the policy on smoking to residents.
- Provide a notice to residents if the policy on smoking changes.

The enclosed Amendment to the Rules and Regulations of the Condominium has been duly adopted by the Board of Managers and will go into effect as required.

Thank you and contact our office with any questions.

Very truly yours,

Harriet Kyrus

NOTICE OF AMENDMENT TO HOUSE RULES

TO: ALL SHAREHOLDERS
FROM: BOARD OF DIRECTORS
DATE: AUGUST 30, 2018

PLEASE TAKE NOTICE THAT THE BOARD OF DIRECTORS HAS AMENDED THE COOPERATIVES HOUSE RULES. THE FOLLOWING IS A NEW HOUSE RULE #37 WHICH WILL BE EFFECTIVE THIRTY DAYS FROM THE DATE SET FORTH ABOVE.

37. As of the date of adoption of this rule, smoking is prohibited in all of the common areas of the building as required by all applicable laws, including in the elevators, hallways, stairways, roof, lobby, amenity facilities, as well as in areas within 25 feet of any entrance door egress from the building. No person shall smoke in the areas where smoking is prohibited by this rule or permit smoking by any occupant, agent, tenant, invitee, guest, friend, or family member in such areas.

Provided that it does not create unreasonably disturbing secondhand smoke that interferes with the rights, comforts, or conveniences of other residents, and subject to applicable law and the condominium's governing documents, smoking is currently permitted inside a resident's individual apartment unit. The unit owner is responsible for any secondhand smoke entering the common areas or other apartment from the resident's individual apartment unit and has an obligation to put into effect measures to ensure secondhand smoke does not enter into common areas or other apartment units.

The term "smoking" as used in this rule includes inhaling, exhaling, burning, carrying or otherwise handling or controlling any lit, heated or smoldering cigar, cigarette, electronic cigarette, herbal cigarette or non-tobacco smoking product, water pipe, vaping device, pipe, or any form of lighted object or device which contains tobacco or tobacco products.

A notice setting forth this smoking policy will be displayed prominently in the building's lobby. The building's board reserves the right to revise and/or amend this current smoking policy.

Tax Information Authorization

General Instructions

Future Developments

For the latest information about developments related to Form 8821 and its instructions, such as legislation enacted after they were published, go to IRS.gov/Form8821.

What's New

Intermediate Service Providers. A checkbox has been added to line 3 to allow the taxpayer to authorize the designated appointee(s) to access the taxpayer's IRS records via an Intermediate Service Provider. See [Authority to access electronic IRS records via Intermediate Service Providers](#), later, for more information.

Partnership representatives. For partnership tax years beginning after December 31, 2017, the Bipartisan Budget Act of 2015 has eliminated the role "Tax Matters Partner" and replaced it with "Partnership Representative." See [Partnership representative](#), later, for more information.

Authentication Alert. When an appointee with a Tax Information Authorization calls the IRS on your behalf, they must pass authentication procedures prior to the IRS speaking to them about your tax information.

Purpose of Form

Form 8821 authorizes any individual, corporation, firm, organization, or partnership you designate to inspect and/or receive your confidential information verbally or in writing for the type of tax and the years or periods you list on Form 8821. Form 8821 is also used to delete or revoke prior tax information authorizations. See the instructions for [line 6](#), later.

You may file your own tax information authorization without using Form 8821, but it must include all the information that is requested on Form 8821.

Form 8821 doesn't authorize your appointee to speak on your behalf; to execute a request to allow disclosure of return or return information to another third party; to advocate your position with respect to federal tax laws; to execute waivers, consents, closing agreements; or represent you in any other manner before the IRS. Use Form 2848, Power of Attorney and Declaration of Representative, to authorize an individual to represent you before the IRS. The appointee may not substitute another party as your authorized designee.

Authorizations listed on prior Forms 8821 are automatically revoked unless you attach copies of your prior Forms 8821 to your new submissions.

Your appointee is never allowed to endorse or negotiate a taxpayer's refund check or receive a taxpayer's refund via direct deposit.

"Get Transcript by Mail" to order a copy of your transcript. IRS transcripts of your tax return are often used instead of a copy of the actual tax return to validate income and tax filing status for mortgage applications, student and small business loan applications, and during tax preparation.

You may also request transcript information by mail by completing Form 4506-T, Request for Transcript of Tax Return, or Form 4506T-EZ, Short Form Request for Individual Tax Return Transcript. Alternatively, you may call 1-800-908-9946 to order a transcript over the phone.

If you want a photocopy of an original tax return, use Form 4506, Request for Copy of Tax Return. There is a fee for each return ordered, which must be paid with your request.

When a properly executed Form 8821 is on file with the IRS, your appointee can also get online tax information through [IRS.gov/eServices](https://www.irs.gov/eServices).

Form 56. Use Form 56, Notice Concerning Fiduciary Relationship, to notify the IRS of the existence of a fiduciary relationship. A fiduciary (trustee, executor, administrator, receiver, or guardian) stands in the position of a taxpayer and acts as the taxpayer, not as a representative. A fiduciary may authorize an individual to represent or perform certain acts on behalf of the person or entity by filing a power of attorney that names the eligible individual(s) as representative(s) for the person or entity. Because the fiduciary stands in the position of the person or entity, the fiduciary must sign the power of attorney on behalf of the person or entity.

When To File

If you are submitting Form 8821 to authorize disclosure of your confidential tax information for a purpose other than addressing or resolving a tax matter with the IRS (for example, for income verification required by a lender), the IRS must receive the Form 8821 within 120 days of the taxpayer's signature date on the form. This 120-day requirement doesn't apply to a Form 8821 submitted to authorize disclosure for the purpose of assistance with a tax matter with the IRS.

Where To File

If you check the box on line 4, mail or fax Form 8821 to the IRS office handling the specific matter. Otherwise, mail or fax Form 8821 directly to the IRS address according to the [Where To File Chart](#).

Taxpayer Identification Number (TIN)

A TIN is used to confirm the identity of a taxpayer and identify the taxpayer's return and return information. It is important that you furnish your correct name, social security number (SSN), individual taxpayer identification number (ITIN), and/or employer identification number (EIN).

Partnership Items

Tax matters partner. For partnership tax years beginning prior to January 1, 2018, a tax matters partner is authorized to perform certain acts on behalf of an affected partnership. Rules governing the use of Form 8821 don't replace any provisions of law concerning the tax treatment of partnership items.

Partnership representative. For partnership tax years beginning after December 31, 2017, unless the partnership is an eligible partnership that has elected out of the centralized partnership audit regime, the partnership is required to designate a partnership representative. The partnership representative (as defined in section 6223(a)) has the sole authority to act on behalf of the partnership under the centralized partnership audit regime. The partnership representative doesn't have to be a partner; however, his actions will bind the partnership and all partners of such partnership in dealings with the IRS under the centralized partnership audit regime.

Appointee Address Change

If your appointee's address changes, a new Form 8821 isn't required. The appointee can provide the IRS with the new information by sending written notification of the new address to the location where the Form 8821 was filed. Your appointee must sign and date the written notice of address change.

Specific Instructions

Line 1. Taxpayer Information

Individual. Enter your name, TIN, and your street address in the space provided. Don't enter your appointee's name or address information in the Taxpayer information box. If a return is a joint return, the appointee(s) identified will only be authorized for you. Your spouse, or former spouse, must submit a separate Form 8821 to designate an appointee.

Corporation, partnership, or association. Enter the name, EIN, and business address.

Employee plan or exempt organization. Enter the name, address, and EIN or SSN of the plan sponsor/plan name, exempt organization or bond issuer. Enter the three-digit plan number when applicable. If you are the plan's trustee and you are authorizing the IRS to disclose the tax information of the plan's trust, see the instructions relating to the trust.

Trust. Enter the name, title, and address of the trustee, and the name and EIN of the trust.

Estate. Enter the name and address of the estate. If the estate doesn't have a separate identification number, enter the decedent's SSN or ITIN.

Line 2. Appointee

Enter your appointee's full name. Use the identical full name on all submissions and correspondence. Enter the nine-digit CAF number for each appointee. If an appointee has a CAF number for any previously filed Form 8821 or power of attorney (Form 2848), use that number. If a CAF number has not been assigned, enter "NONE," and the IRS will issue one directly to your appointee. The IRS doesn't assign CAF numbers to requests for employee plans and exempt organizations.

If you want to name more than one appointee, check the box on line 2, and attach a list of appointees to Form 8821. Provide the address, and requested numbers for each appointee named.

If Form 8821 is being submitted for the sole purpose of updating the appointee's address or telephone/fax number, check the applicable box.

Line 3. Tax Information

Authority to access electronic IRS records via Intermediate Service Providers. Your appointee is not authorized to use an Intermediate Service Provider to retrieve your confidential tax information indirectly from the IRS unless you check the box on line 3. If you don't authorize the use of an Intermediate Service Provider, your appointee can obtain your tax information directly from the IRS by using the IRS e-Services Transcript Delivery System.

Intermediate Service Providers are privately owned companies that offer subscriptions to their software and/or services that your authorized appointee can use to retrieve, store, and display your tax return data (personal or business) instead of obtaining your tax information directly from the IRS through the IRS e-Services Transcript Delivery System. Intermediate Service Providers are independent of, and not affiliated in any way with, the IRS, and the IRS has no involvement in your appointee's choice to obtain your tax information directly from the IRS or use an Intermediate Service Provider to indirectly obtain your tax information from the IRS.

Columns (a)–(c). Enter the type of tax information, the tax form number, the years or periods, and the specific matter. For example, you may list "Income, 1040" for calendar year "2017" and "Excise, 720" for "2017" (this covers all quarters in 2017).

For multiple years or a series of inclusive periods, including quarterly periods, you may enter, for example, "2015 thru 2017" or "2nd 2016-3rd 2017." For fiscal years, enter the ending year and month, using the YYYYMM format.

Don't use a general reference such as "All years," "All periods," or "All taxes." Any tax information authorization with a general reference will be returned.

You may list the current year/period and any tax years or periods that have already ended as of the date you sign the tax information authorization. You may also list future tax years or periods. **However, the IRS will not record on the CAF system future tax years or periods listed that exceed 3 years from December 31 of the year that the IRS receives the tax information authorization.**

Centralized Partnership Audit Regime. *Partnerships under the centralized partnership audit regime are required to designate a partnership representative for each tax year, therefore, it is recommended that a separate Form 8821 be completed for each tax year.*

Note. A Form 8821 for a future year will not be allowed since a PR would not have been designated yet in a filed Form 1065.

You must enter the description of the matter, the tax form number, and the future year(s) or period(s). If the matter relates to estate tax, enter the date of the decedent's death instead of the year or period. If the

matter relates to an employee plan, include the plan number in the description of the matter.

If you appoint someone only with respect to a penalty and interest due on that penalty, enter "civil penalty" in column (a), and if applicable, enter the tax year(s) for the penalty. Enter "NA" (not applicable) in column (b). You don't have to enter the specific penalty.

If the taxpayer is subject to penalties related to an individual retirement account (IRA) enter "IRA civil penalty" in column (a).

Note. If Form W-2 is listed on line 3, then the appointee is entitled to receive taxpayer notices regarding any civil penalties and payments related to that Form W-2. A Form 8821 that lists a particular tax return will also entitle the appointee to receive the taxpayer notices regarding any return-related civil penalties and payments. For example, if Form 1040 is listed, the appointee is entitled to receive taxpayer notices regarding the section 5000A individual shared responsibility payment. Specific reference to those penalties and payments isn't required. However, any civil penalty or healthcare-related payment that isn't return-related, such as the section 4980H employer shared responsibility payment, the annual fee for branded prescription drug sales under section 9008 of the Affordable Care Act (ACA), or health insurance provider fee under section 9010 of the ACA, isn't covered by the Form 8821 unless column (a) references "civil penalties" or the name of a specific penalty or payment.

Column (d). Enter any specific information you want the IRS to provide. Examples of column (d) information: lien information, balance due amount, a specific tax schedule, section 4980H employer shared responsibility payment information, or a tax liability.

Enter "not applicable" in column (d) if you are not limiting your appointee's authority to inspect and/or receive all confidential tax information described in columns (a), (b), and (c).

For requests regarding Form 8802, Application for United States Residency Certification, enter "Form 8802" in column (d) and check the specific box on line 4. Also, enter the appointee's information as instructed on Form 8802.

Line 4. Specific Use Not Recorded on CAF

Generally, the IRS records all tax information authorizations on the CAF system. However, authorizations relating to certain issues aren't recorded. Check the box on line 4 if Form 8821 is being submitted for a specific use that the IRS will not record on the CAF. Examples of specific uses not recorded include but are not limited to the following:

1. Requests to disclose information to loan companies or educational institutions.
2. Requests to disclose information to federal or state agency investigators for background checks.
3. Requests for information regarding the following forms:
 - a. Form SS-4, Application for Employer Identification Number;
 - b. Form W-2 Series;

- c. Form W-4, Employee's Withholding Allowance Certificate;
- d. Form W-7, Application for IRS Individual Taxpayer Identification Number;
- e. Form 843, Claim for Refund and Request for Abatement;
- f. Form 966, Corporate Dissolution or Liquidation;
- g. Form 1096, Annual Summary and Transmittal of U.S. Information Returns;
- h. Form 1098, Mortgage Interest Statement;
- i. Form 1099 Series;
- j. Form 1128, Application To Adopt, Change, or Retain a Tax Year;
- k. Form 2553, Election by a Small Business Corporation; or
- l. Form 4361, Application for Exemption From Self-Employment Tax for Use by Ministers, Members of Religious Orders and Christian Science Practitioners.

If you check the box on line 4, your appointee should mail or fax Form 8821 to the IRS office handling the matter. Otherwise, your appointee should bring a copy of Form 8821 to each appointment to inspect or receive information. A specific-use tax information authorization will not revoke any prior tax information authorizations.

Line 5. Disclosure of Tax Information

The IRS will send copies of notices and communications to no more than two appointees. If you check the box for line 5a and the IRS has a prior Form 2848 or 8821 from you that authorized other appointees to receive copies of notices and communications for the same tax and tax years, the IRS will stop sending notices and communications to the appointees designated on the prior Form 2848 or 8821.

Line 6. Retention/Revocation of Prior Tax Information Authorizations

If the line 4 box is checked, skip line 6. If line 4 isn't checked, the IRS will automatically revoke all prior tax information authorizations on file unless you instruct otherwise. If you don't want a prior tax information authorization submission to be revoked, you must attach a copy of the tax information authorization that you want to retain and check the line 6 box.

Revocation request. If you want to revoke a prior tax information authorization without submitting a new authorization, write "REVOKE" across the top of the particular authorization that you want to revoke. Provide a current taxpayer signature and date under the original signature that was provided on line 7.

If you don't have a copy of the tax information authorization you want to revoke, send a notification to the IRS. In the notification:

1. State that the authority of the appointee is revoked,
2. List the name and address of each appointee whose authority is being revoked,
3. List the tax matters and tax periods, and
4. Sign and date the notification.

If you are completely revoking the authority of the appointee, state "revoke all years/periods" instead of listing the specific tax matters, years, or periods.

To revoke a specific use tax information authorization, send the tax information authorization or notification of revocation to the IRS office handling your case, using the above instructions.

Line 7. Signature of Taxpayer

Individual. You must sign and date the authorization. If a joint return has been filed, your spouse must execute his or her own authorization on a separate Form 8821 to designate an appointee.

Corporation. Generally, Form 8821 can be signed by:

1. An officer having authority under applicable state law to bind the corporation,
2. Any person designated by the board of directors or other governing body,
3. Any officer or employee on written request by any principal officer and attested to by the secretary or other officer, and
4. Any other person authorized to access information under section 6103(e)(1)(D), except for a person described in section 6103(e)(1)(D)(iii) (bona fide shareholders of record owning 1% or more of the outstanding stock of the corporation).

Partnership. Generally, Form 8821 can be signed by any person who was a member of the partnership during any part of the tax period covered by Form 8821. See *Partnership Items*, earlier. If the Form 8821 covers more than one tax year or tax period, the person must have been a member of the partnership for all or part of each tax year or period covered by Form 8821.

If the Form 8821 covers matters under the centralized partnership audit regime, Form 8821 can be signed by the partnership representative.

For partnership tax years beginning after December 31, 2017, the Bipartisan Budget Act of 2015, which repealed the TEFRA partnership audit and litigation procedures and the rules applicable to electing large partnerships and replaced them with a new centralized partnership audit regime, has eliminated the role of "tax matters partner" and replaced it with "partnership representative." Pursuant to Treasury Regulation section 301.9100-22T, a partnership can elect to have the new regime apply to partnership returns for tax years beginning after November 2, 2015, and before January 1, 2018.

Employee plan. If the plan is listed as the taxpayer on line 1, a duly authorized individual having authority to bind the taxpayer must sign and that individual's exact title must be entered.

Trust. A trustee having the authority to bind the trust must sign with the title of trustee entered. If the trust hasn't previously submitted a completed Form 56, Notice Concerning Fiduciary Relationship, identifying the current trustee, the trust must submit a Form 56 to identify the current trustee.

Estate. An executor having the authority to bind the estate must sign. A Form 56 should be filed to identify the executor. If there is more than one executor, only one co-executor having the authority to bind the estate is required to sign. See Regulations section 601.503(d).

All others. See section 6103(e) if the taxpayer has died, is insolvent, is a dissolved corporation, or if a trustee, guardian, executor, receiver, or administrator is acting for the taxpayer.

ANNUAL NOTICE

PROTECT YOUR CHILD FROM LEAD POISONING AND WINDOW FALLS

New York City law requires that tenants living in buildings with 3 or more apartments complete this form and return it to their landlord before February 15, each year. If you do not return this form, your landlord is required to visit your apartment to determine if children live in your apartment.

Peeling Lead Paint

By law, your landlord is required to inspect your apartment for peeling paint and other lead paint hazards at least once a year if a child under 6 years of age (5 years or younger) lives with you.

- You must notify your landlord in writing if a child under 6 comes to live with you during the year.
- If a child under 6 lives with you, your landlord must inspect your apartment and provide you with the results of these paint inspections.
- **Always report peeling paint to your landlord. Call 311 if your landlord does not respond.**
- Your landlord must use safe work practices to repair all peeling paint and other lead paint hazards.

These requirements apply to buildings with 3 or more apartments built before 1960. They also apply to buildings to buildings built between 1960 and 1978 if the landlord knows that lead paint is present.

Window Guards

By law, your landlord is required to install window guards in all your windows if a child under 11 years of age (10 years or younger) lives with you, OR if you request them (even if no children live with you).

- ONLY windows that open to fire escapes, and one window in each first floor apartment when there is a fire escape on the outside of the building, are legally exempt from this requirement.
- It is against the law for you to interfere with installation, or remove window guards where they are required. Air conditioners in windows must be permanently installed.
- Window guards must be installed so there is no space greater than 4¹/₂ inches above or below the guard, on the side of the guard, or between the bars.

These requirements apply to all buildings with 3 or more apartments, regardless of when they were built.

Fill Out and detach the bottom part of this form.

Please check all boxes that apply

- Your landlord must use safe work practices to repair all peeling paint and other lead paint hazards.

These requirements apply to buildings with 3 or more apartments built before 1960. They also apply to buildings to buildings built between 1960 and 1978 if the landlord knows that lead paint is present.

Window Guards

By law, your landlord is required to install window guards in all your windows if a child under 11 years of age (10 years or younger) lives with you, OR if you request them (even if no children live with you).

- ONLY windows that open to fire escapes, and one window in each first floor apartment when there is a fire escape on the outside of the building, are legally exempt from this requirement.
- It is against the law for you to interfere with installation, or remove window guards where they are required. Air conditioners in windows must be permanently installed.
- Window guards must be installed so there is no space greater than 4¹/₂ inches above or below the guard, on the side of the guard, or between the bars.

These requirements apply to all buildings with 3 or more apartments, regardless of when they were built.
