16. The boiler shall be operated during the winter heating months from 7 a.m. to 11 p.m., at which time it will go into its night sequence, and may be adjusted from time to time under the direction of the managing agent and superintendent with the approval of the officers.

28. The Officers are empowered to impose a fine of up to \$100.00 for any violation of Coop By-Laws or House Rules.

29. All requests to perform alterations or to substantially repair a unit must be submitted in writing to the Managing Agent or, in the absence of a Managing Agent, the Cooperative Officers. Written approval must be obtained from the Board of Directors or its assigned committee before any such alteration or repair is made.

30. Lessee shall not install any type of gate or security grilles on the exits leading to the fire escape unless the gate or grill shall be of the kind approved by the City Office of Code Enforcement for such locations, and unless the Cooperative shall have approved such installation in writing in advance. Installations of gates or grilles not approved by the City are violations of law which may cause loss of life in the event of fire.

31. Lessee shall not cause the obstruction of egress from any fire escape either from within the apartment or without and shall not at any time for any purpose keep or store any item on the fire escape.

32. Sublets and Guests:

An absentee shareholder is defined as any shareholder who lives in the building for less than four months in a calendar year. In any year, or any part thereof, of any sublease, the monthly maintenance of the absentee shareholder is to be increased by 20%. Upon any subleasing, an Absentee Shareholder shall make a refundable security deposit to the Coop in the amount of \$1,000.00.

C. The monthly maintenance of a resident shareholder who initiates a sublease of a separate unit after December 1, 2001, shall be increased proportionately by 20%.

D. The names of guests of any resident who are in possession of access keys should be presented to a Tenants Committee member, who shall then post the name and apartment of said guest as a safeguard and a courtesy to fellow residents. A "guest" is defined as anyone staying for more than a week. The Tenant Committee shall also be notified of the names of any house-sitters or caretakers when the resident is to be absent for longer than two weeks; these too shall be posted in the elevator. In all cases, the shareholder of the unit in question shall be responsible for such notification to the Tenant Committee.

33. Each lessee shall surrender to the Corporation (a key or) keys to his or her unit. No lessee shall alter any lock on any door leading into the unit without providing the Corporation with a key. If this rule is not observed and it becomes necessary for any reason to break into a unit, the lessee shall be liable for all damages to the door, and for all damages to any other part of the building caused by the delay in obtaining access to the unit.

34. The Managing Agent shall be kept informed of other tenants who possess keys to each unit.

35. Complaints regarding the service of the building shall be made to the Managing Agent, or in the absence of an agent, an Officer of the Corporation. If the lessee so desires, the complaint may be made in writing.

38. These House Rules may be added to, amended or repealed at any time by resolution of the Board of Directors of the Coop.

39. Failure to abide by these House Rules shall result in a fine, to be levied by the Officers, in an amount not to exceed \$100.00 plus any fees incurred by the Coop from any outside agency for said failure.

PROTECT YOUR CHILD FROM LEAD POISONING AND WINDOW FALLS

New York City law requires that tenants living in buildings with 3 or more apartments complete this form and return it to their landlord before February 15, each year. If you do not return this form, your landlord is required to visit your apartment to determine if children live in your apartment.

Peeling Lead Paint

By law, your landlord is required to inspect your apartment for peeling paint and other lead paint hazards at least once a year if a child under 6 years of age (5 years or younger) lives with you.

- You must notify your landlord in writing if a child under 6 comes to live with you during the year.
- If a child under 6 lives with you, your landlord must inspect your apartment and provide you with the results of these paint inspections.
- **Always report peeling paint to your landlord. Call 311 if your landlord does not respond.**
- Your landlord must use safe work practices to repair all peeling paint and other lead paint hazards.

Window Guards

By law, your landlord is required to install window guards in all your windows if a child under 11 years of age (10 years or younger) lives with you, OR if you request them (even if no children live with you).

- ONLY windows that open to fire escapes, and one window in each first floor apartment when there is a fire escape on the outside of the building, are legally exempt from this requirement.
- It is against the law for you to interfere with installation, or remove window guards where they are required. Air conditioners in windows must be permanently installed.
- Window guards must be installed so there is no space greater than 4¹/₂ inches above or below the guard, on the side of the guard, or between the bars.

These requirements apply to buildings with 3 or more apartments built before 1960. They also apply to buildings to buildings built between 1960 and 1978 if the landlord knows that lead paint is present.

These requirements apply to all buildings with 3 or more apartments, regardless of when they were built.
