FROM: BOARD OF DIRECTORS
DATE: AUGUST 1, 2018

PLEASE TAKE NOTICE THAT THE BOARD OF DIRECTORS HAS AMENDED RULE #25 OF THE COOPERATIVES HOUSE RULES AS FOLLOWS:

25. As of the date of adoption of this rule, smoking is prohibited in all of the common areas of the building as required by all applicable laws, including in the elevators, hallways, stairways, roof, lobby, laundry room, air shafts as well as in areas within 25 feet of any entrance to or egress from the building. No person shall smoke in the areas where smoking is prohibited by this rule or permit smoking by any occupant, agent, tenant, invitee, guest, friend, or family member in such areas.

Provided that it does not create unreasonably disturbing secondhand smoke that interferes with the rights, comforts, or conveniences of other residents, and subject to applicable law and the cooperative's governing documents, smoking is currently permitted inside a resident's individual apartment unit. The unit owner is responsible for any secondhand smoke entering the common areas or other apartment units from the resident's individual apartment unit and has an obligation to put into effect measures to ensure secondhand smoke does not enter into common areas or other apartment units.

The term "smoking" as used in this rule includes inhaling, exhaling, burning, carrying or otherwise handling or controlling any lit, heated or smoldering cigar, cigarette, electronic cigarette, herbal cigarette or non-tobacco smoking product, water pipe, vaping device, pipe, or any form of lighted object or device which contains tobacco or tobacco products.

A notice setting forth this smoking policy will be displayed prominently in the building's lobby. The building's board reserves the right to revise and/or amend this current smoking policy.

18-No Lessee shall install any plantings on the roof, or fire escapes without the prior written approval of the Board of Directors.

19-In the event that the Lessor has reasonable cause to believe that it is necessary to inspect an apartment for the purpose of determining whether measures are necessary or desirable to control or exterminate any vermin, insects or other pests; to look for the cause of leaks of gas or water; to determine the source of any noxious odors or for other harmful but non emergency reasons, then the Lessor shall give the tenant 7 days written notice of the need to enter the apartment. If the lessee has provided the Lessor with a telephone number and/or e-mail address notice shall also be given via telephone and/or e-mail. If the lessee does not provide access to the apartment within the seven days then, with the approval of the President of the Board of the Lessor, the agents of the Lessor, and any contractor or workman authorized by the Lessor, may enter any apartment at any reasonable hour of the day for the purpose of inspecting such apartment to ascertain whether measures are necessary or desirable to control or exterminate any vermin, insects or other pests; to look for the cause of leaks of gas or water; to determine the source of any noxious odors or to assist in controlling other harmful conditions. Whenever a contractor or workman is authorized by the Lessor to enter the premises pursuant to this paragraph, he/she shall be accompanied by a representative of the Lessor such as a managing agent, superintendent or Board member.

21-The Lessee shall provide the Lessor and its managing agent a telephone number where the Lessee may be reached at home and at the Lessee's place of business or mobile and shall also provide the Lessor an emergency contact name and telephone number.

24-All guests staying in the apartment in the absence of the owner for more than two weeks must register with the managing agent. Such guests are not allowed to stay in the apartment for a period of more than thirty days without the owner's presence. After thirty days, such guests must complete a sublet package and be approved by the Board or Directors and sublet fees shall be applicable. This rule is consistent with paragraph fourteen of the Proprietary Lease where it provides for occupancy from time to time by guests for periods of time not exceeding one month. The Proprietary Lease provides that no guests may occupy the apartment unless one or more of the permitted adult residents are then in occupancy. In occupancy as used in the Lease refers to the lessee maintaining the premises as an apartment for their use and enjoyment and not having vacated the apartment by removal of their personal items.

25-Residents of the COOP may hire the building's superintendent to do certain work for them, provided that such work is not the type of work that would require the Board of Directors' approval. Any such agreement shall be a separate agreement between the superintendent and the resident, and in no way shall any actions of the superintendent be construed as actions of the COOP, nor shall the superintendent be acting as an agent of the COOP in these situations. The COOP shall not be a party to these agreements, and as such will not be liable under same.

26-Any delivery, either in or out of the building, of large items such as furniture or appliances, must be scheduled in advance with the managing agent. The resident is responsible for any damage caused to any of the common areas of the building during

a delivery of items to or from the resident's apartment. The elevator is to be protected with padding during any move of such items. To the extent that the resident or the delivery company does not have such protective padding, the resident shall coordinate with the managing agent or the superintendent to obtain the building's elevator padding.

27- Pursuant to the proprietary lease, building personnel have a legal right to force entry into the apartment in the event of an emergency and the Lessee is obligated to pay for repairs. A resident who has provided the managing agent and/or the building superintendent with duplicate keys to his/her apartment may reduce the cost of such repairs.

28-In the event the building receives a violation or fine as the result of the action or inaction of any Lessee or the failure of a Lessee to comply with local, state or federal rules, regulations or laws, the cost of such fines or removing such violations shall be borne by the Lessee.

29-It is permissible to move into or out of the building only Monday through Friday, excluding legal holidays- 9:30 am to 4:30 pm. No move into or out of the building will be allowed unless it is scheduled five business days in advance with the managing agent. The superintendent will oversee all moves to help expedite the move, ensure minimal disruption to other residents and to ascertain if any damage occurred to the premises as a result of the move. The individual moving into or out of the building shall pay for all repairs that must be made to the common areas of the building as a result of the move. All such repairs, restorations, and replacements shall be in quality and class equal to the original work or installations.

30-A move in/out deposit fee of \$1000 is required to be given to the managing agent prior to the move. For a move out on a sale of an apartment, payment must be by certified check. For a subtenant, shareholder is responsible if subtenant does not pay or pays by a check that is dishonored. The deposit will be returned after it has been determined that there was no damage done to the building. If there has been damage the deposit may be retained and damages sought for all damage caused by the move.

31-The term "residents", "tenants" or "Lessee" is intended to include shareholders, lessee/shareholders, lessees, and sub lessees who reside in the building pursuant to subleases approved by the Board of Directors in accordance with the proprietary lease. In addition, guests, subtenants, and occupants of a lessee apartment (whether or not approved by the lessor in accordance with the proprietary lease) shall be subject to and abide by the House Rules and proprietary lease. A violation of the House Rules by such occupants, subtenant or guests shall be deemed a violation of the proprietary lease or House Rules as applicable, by the shareholder whose apartment is occupied, subleased, or is visited by such occupant or guest. All references to term "lessor" or "corporation" or "COOP" shall mean the 66 W. 84th Street Cooperative, the Board of Directors, the managing agent or any authorized agent. These terms are used interchangeably throughout. However, references to the Board of Directors shall refer to the Board of Directors only.

32-As of the date of adoption of this rule, smoking is prohibited in all of the common areas of the building as required by all applicable laws, including in the elevators, hallways, stairways, roof, lobby, air shafts as well as in areas within 25 feet of any entrance door egress from the building. No person shall smoke in the areas where smoking is prohibited by this rule or permit smoking by any occupant, agent, tenant, invitee, guest, friend, or family member in such areas.

Provided that it does not create unreasonably disturbing secondhand smoke that interferes with the rights, comforts, or conveniences of other residents, and subject to applicable law and the cooperative's governing documents, smoking is currently permitted inside a resident's individual apartment unit. The shareholder is responsible for any secondhand smoke entering the common areas or other apartment units from the resident's individual apartment unit and has an obligation to put into effect measures to ensure secondhand smoke does not enter into common areas or other apartment units.

The term "smoking" as used in this rule includes inhaling, exhaling, burning, carrying or otherwise handling or controlling any lit, heated or smoldering cigar, cigarette, electronic cigarette, herbal cigarette or non-tobacco smoking product, water pipe, vaping device, pipe, or any form of lighted object or device which contains tobacco or tobacco products.

33-These House Rules may be added to, amended or repealed at any time by resolution of the Board of Directors of the Lessor.

Note: All references to "Shareholder" in these House Rules also apply to family, guests and subtenants of the Shareholder.

Duly adopted by the Board of Directors of the 66 West 84 Street Owners Corp. on the 1st day of November 2024.

66 West 84 Street Owners Corp.
Sublet Policy
(Revised on January 23, 2025)

The Sublet Policy of 66 West 84 Street Owners Corp. is adopted to assure that the cooperative's number of owner-occupied units is fifteen (15) or more resulting in an owner occupancy rate of more than 50%. For the COOP to qualify for a mortgage it requires more than 50% of its apartments to be occupied by the shareholder. Mortgage rates may also be negatively impacted if the owner occupancy rate is less than 50%. This will also allow potential purchasers the ability to qualify for mortgages in connection with their purchases and will make it easier for shareholders to sell their units if they desire.

Presently, there is a moratorium on all subletting of units. When the moratorium is lifted the following Sublet Policy will apply:

All sublets require board approval.

Shareholders are not permitted to sublet during the first three years of ownership or transfer of shares into their name.

Sublets are approved by the Board for a period of one (1) year. The shareholder is required to submit a Sublet Application which must contain a fully executed lease agreement and such other information as requested by the Board.

Renewal of existing sublets require board approval.

Definition of "renewal of existing sublet": When the same tenant continues to occupy the same apartment, and the sublet end date is extended by up to 1 year.

If the number of owner (shareholder) occupied units in the building exceeds 16 or more, the board may consider new sublet applications and renewal of existing sublet applications.

If the number of owner (shareholder) occupied units in the building reduces to 15 the following will happen:

- 1) No new sublets will be permitted.
- 2) Existing sublets will not be renewed at the end of the lease term.
- 3) Management will create a Sublet Wait list, and shareholders may request to be placed on the Wait List.
- 4) If there are no requests to be placed on the Wait List (no names on the wait list) renewal of existing sublet applications will be considered.

- 5) If there are names on the Wait List, renewal of existing sublets will be denied, and the shareholder may request to be placed on the Wait List.
- 6) The shareholder at the top of the Wait List will be offered the opportunity to start a new sublet. If the offer is declined, each subsequent shareholder on the "waiting list" will be offered the same opportunity.

The following Sublet Fees will apply:

- \$100 per month during the first year of subletting.
- \$150 per month during the second year of subletting.
- \$200 per month for each month thereafter.

All shareholders are required to comply with Rule 24 of the House Rules as amended November 1, 2024, which states that anyone who stays in an apartment for a period of more than 30 days without the shareholder present must:

- Complete a Sublet Application
- Obtain board approval
- Pay the specified monthly sublet fee

Any shareholder not in compliance with Rule 24 will be subject to a fine of \$250 per month for as long as the non-compliance continues. The COOP may take additional steps, as permitted by law to enforce compliance with this policy and the proprietary lease.

Note: These rules do not preclude the right of the board to decline any sublet application for any reason, at any time.

The Revised Sublet Policy has been incorporated into the House Rules of the Corporation and shall take effect on January 23, 2025.

ANNUAL NOTICE

PROTECT YOUR CHILD FROM LEAD POISONING AND WINDOW FALLS

New York City law requires that tenants living in buildings with 3 or more apartments complete this form and return it to their landlord before February 15, each year. If you do not return this form, your landlord is required to visit your apartment to determine if children live in your apartment.

Peeling Lead Paint

By law, your landlord is required to inspect your apartment for peeling paint and other lead paint hazards at least once a year if a child under 6 years of age (5 years or younger) lives with you.

- You must notify your landlord in writing if a child under 6 comes to live with you during the year.
- If a child under 6 lives with you, your landlord must inspect your apartment and provide you with the results of these paint inspections.
- **Always report peeling paint to your landlord. Call 311 if your landlord does not respond.**
- Your landlord must use safe work practices to repair all peeling paint and other lead paint hazards.

Window Guards

By law, your landlord is required to install window guards in all your windows if a child under 11 years of age (10 years or younger) lives with you, OR if you request them (even if no children live with you).

- ONLY windows that open to fire escapes, and one window in each first floor apartment when there is a fire escape on the outside of the building, are legally exempt from this requirement.
- It is against the law for you to interfere with installation, or remove window guards where they are required. Air conditioners in windows must be permanently installed.
- Window guards must be installed so there is no space greater than 4¹/₂ inches above or below the guard, on the side of the guard, or between the bars.

These requirements apply to buildings with 3 or more apartments built before 1960. They also apply to buildings to buildings built between 1960 and 1978 if the landlord knows that lead paint is present.

These requirements apply to all buildings with 3 or more apartments, regardless of when they were built.
