All Shareholders
Harriet Tubman Gardens Corp.
2235 Frederick Douglas Boulevard
New York, NY 10027

Dear Shareholders:

As the result of some recent complaints received at and prior to our recent annual meeting, the Board has reconsidered its Holiday Decoration Policy, which was based upon the Co-op's House Rules numbers 3 and 4.

The Board has resolved, in the furtherance of community spirit, to approve the replacement of the former House Rule #4 with a new House Rule #4, the text of which is below:

No sign, hanging, drawing, notice, advertisement, decoration or illustration shall be hung, exposed, inscribed or exhibited upon any common area or door/doorway facing a common area without the prior consent of the Board of Directors except that non-illuminating Holiday decorations may be hung upon the front entrance doors of apartments, so long as (a) they do not cover more than twenty five (25%) percent of the face area of the door, (b) are hung in such a manner as to be easily removed without damage to the door, and (c) are displayed no earlier than twenty (20) days preceding the commencement of the Holiday and are removed no later than one (1) week following the conclusion of the Holiday.

Please note that the new House Rule takes effect immediately. Please keep this letter with your important Cooperative documents.

Very truly yours,

Harriet Kyrous

**HARRIET TUBMAN GARDENS COOPERATIVE:
HDC-HPD RESALE AND REFINANCING RESTRICTIONS & PROCEDURES**

NOTE: THIS OUTLINE SUMMARIZES THE HDC-HPD RESALE AND MORTGAGE REFINANCING RESTRICTIONS AND PROCEDURES. THIS IS ONLY A SUMMARY. THE HDC REGULATORY AGREEMENT AND THE HPD REGULATORY AGREEMENT, NOTE AND MORTGAGE CONTAIN A COMPLETE DESCRIPTION OF HDC AND HPD REQUIREMENTS. THE COOPERATIVE CORPORATION OR A BANK THAT PROVIDES AN INDIVIDUAL CO-OP LOAN TO A PURCHASER MAY HAVE FURTHER RESALE AND REFINANCING RESTRICTIONS AND PROCEDURES.

THIS OUTLINE MAY BE PROVIDED TO CURRENT UNIT OWNERS, PROSPECTIVE PURCHASERS AND LENDERS.

RESALE:

A subsidized unit owner seeking to sell his/her co-op shares should advise the Co-op Board/Managing Agent in writing PRIOR to attempting to sell the co-op shares, so that the Co-op Board/Managing Agent may explain all resale procedures to be followed (including the HDC-HPD resale procedures set forth below).

PROSPECTIVE PURCHASERS OF ALL SUBSIDIZED UNITS ARE SUBJECT TO THE PRIOR WRITTEN APPROVAL OF THE CO-OP BOARD AND HDC.

A unit owner may sell his/her co-op shares, subject to the following requirements:

- a. Primary Residence: The Co-op Corporation shall require all shareholders to occupy their units as their primary residences and shall preclude such shareholders from using their units as vacation homes or investment properties. (HDC Regulatory Agreement, Sec. 4)
- b. Maximum Household Income of Prospective Purchasers: Until the HDC Mortgage is paid in full, a Purchaser's household income may not exceed 250% of the current area median income (AMI), as adjusted for family size; provided, however, that there shall be no restriction on a Purchaser's income with respect to the following Units: 2L, 3L, 4L, 5L, 6L, 7L, 8B, 8C, 8D, 8E, 8G (the "Exempt Units"). (HDC Regulatory Agreement, Sec. 7)
- c. Resale Procedures (Applies to Resales of all Units, except Exempt Units):
 - i. HDC:
 1. Required Forms/Submissions (HDC Regulatory Agreement, Sec. 6): Not more than fourteen (14) days prior to execution of a contract of sale, the Co-op Corporation will require the submission to HDC of the following forms:
 - a. Purchaser's Affidavit (see Exhibit B). All of the prospective Purchasers must sign this affidavit, which must be notarized. If the closing occurs more than 6 months after the date of the Purchaser's Affidavit, then the Purchaser(s) must sign (and have notarized) the Reaffirmation included in Exhibit B.

- b. Purchaser Income Eligibility Worksheet (see Exhibit C). All of the prospective Purchasers must sign this worksheet, which must be notarized and accompanied by appropriate back-up documentation. The Co-op Board/Managing Agent should assist the prospective Purchasers in completing this form and verify all information. (**Note:** The NYC Housing Connect Income Guide included in the attached Appendix may be used for guidance.)
- c. Seller's Affidavit (see Exhibit D). All individuals listed on the certificate of shares must sign this affidavit, which must be notarized.
2. HDC Review of Forms and Back-up Documentation: After submission of the required documents, HDC will review the material. Any incomplete or incorrect information must be furnished or corrected, as the case may be. If the prospective Purchaser is confirmed as meeting the applicable household income restrictions, then the Seller and prospective Purchaser may seek the Co-op Board's approval and thereafter schedule a closing date.

ii. HPD:

1. Required Forms/Submissions: Following HDC's approval of the prospective Purchaser and prior to closing, the Seller must submit a service request to HPD's Homeowner Mortgage Servicing Unit. The necessary forms and instructions for submitting a service request are updated regularly and the current versions may be found under "Mortgage Servicing" on the "Property Owners" page of HPD's website:
<http://www1.nyc.gov/site/hpd/owners/homeowner-mortgage-servicing.page>
2. HPD Pay-off Letter: The HPD Mortgage entitles HPD to collect 100% of Resale Profits until the 3rd anniversary of the HPD Mortgage date and 50% of Resale Profits from the 3rd anniversary to the 25th anniversary of the HPD Mortgage date (up to the balance of the HPD unit debt - see Exhibit A for HPD subsidy details). Following the receipt of a complete service request, HPD will issue a pay-off letter confirming the current unit debt balance.
3. Attachment to Stock Certificate: Upon receipt of the payment of the HPD unit debt, HPD will issue an Attachment to Stock Certificate confirming its consent to the transfer of the shares in connection with the sale of the unit.
4. Unit Debt Exceeding 50% of Resale Profits: If 50% of resale profits is less than the HPD unit debt balance, then the Seller may pay only 50% of Resale Profits (with the Purchaser then taking subject to the remaining debt balance). In such a case, the Co-op Corporation/Managing Agent must submit to HPD for its approval a worksheet setting forth the calculation of Resale Profits, and

HPD's approval of such worksheet must be obtained prior to closing.

- a. Remittance of Pay-off Amount/Resale Profits to HPD: The pay-off amount/Resale Profits are to be collected from the Seller at closing and remitted to HPD within two (2) business days after closing.
- b. Reduction of Unit Debt: The HPD Mortgage unit debt is reduced by 1/25th for each full year during which the shareholder continuously occupies the unit as a primary residence.

REFINANCING:

A unit owner who desires to refinance the share loan on his/her co-op should advise the Co-op Board/Managing Agent in writing PRIOR to attempting to refinance such loan, so that the Co-op Board/Managing Agent can explain the refinancing procedures to be followed.

- a. Refinancing Procedures (Applies to Refinancings relating to All Units):
 - i. HDC: No notice or service request is required to be submitted to HDC in connection with a proposed refinancing of a share loan on a unit.
 - ii. HPD:
 1. Required Forms/Submissions: The unit owner must submit a service request to HPD's Homeowner Mortgage Servicing Unit. The necessary forms and instructions for submitting a service request are updated regularly and the current versions may be found under "Mortgage Servicing" on the "Property Owners" page of HPD's website:
<http://www1.nyc.gov/site/hpd/owners/homeowner-mortgage-servicing.page>
 2. Refinancing Profits Payment: HPD will collect Refinancing Profits (up to the balance of the HPD unit debt). Accordingly, the Co-op Corporation/Managing Agent should direct the unit owner to submit to HPD the documents required for refinancing approval, as indicated on the HPD website. HPD's approval of the refinancing must be obtained prior to closing.
 - a. Refinancing Profits Payable to HPD: During the first 3 years after the date of the HPD Mortgage, unit owners are required to pay 100% of Refinancing Profits (up to the balance of the HPD unit debt); from the 3rd anniversary through the Maturity Date of the HPD Mortgage, unit owners are required to pay 50% of Refinancing Profits (up to the balance of the HPD unit debt).
 - b. Remittance of Refinancing Profits to HPD: Refinancing Profits are to be collected at the refinancing closing and remitted to HPD within two (2) business days after closing.

- c. Reduction of Unit Debt: The HPD Mortgage unit debt is reduced by 1/25th for each full year during which the shareholder continuously occupies the unit as a primary residence.
3. Attachment to Stock Certificate: Upon receipt of the payment of the Refinancing Profits (together with a copy of the signed settlement statement evidencing the amount of the new share loan), HPD will issue an Attachment to Stock Certificate confirming its consent to the pledge of the shares in connection with the refinancing of the share loan.

Applying for Affordable Housing:

Applicant Income Guide

Income Guide

ABOUT THIS GUIDE

Your *income* is an important part of your affordable housing application.

This guide shows you how your income is calculated for affordable housing.

This is not a housing application. It will not tell you if you will get an apartment. But it can help you give accurate answers about your income.

If you are invited to an *interview*, you will need to bring documents to confirm all of the information on your application.

Words in *bold italics* are explained on page 10, "Helpful Terms."

INSIDE:

- WHAT IS INCOME? _____ 2
- WHAT INCOME IS INCLUDED? _____ 3
- INCOME FROM EMPLOYMENT _____ 4
- INCOME FROM SELF-EMPLOYMENT _____ 5
- INCOME FROM OTHER SOURCES _____ 7
- INCOME NOT INCLUDED _____ 8
- FREQUENTLY ASKED QUESTIONS _____ 9
- HELPFUL TERMS _____ 10

What is Income?

Do you receive money from...

- A job, or more than one job?
- Working for yourself?

Examples: *Taxi driver, hair stylist, freelance artist*

- Other sources, on a regular basis?

Examples: *Child support, unemployment benefits, supplemental security income (SSI), pension*

This money is your *income*. You will need to know how much income you receive in order to apply for *affordable housing*.

STEPS TO CALCULATE INCOME:

1 Identify all of your sources of income.

Income from employment (p.4)

Income from self-employment (p.5)

Income from other sources (p.7)

2 Convert wages into yearly totals.*

Hourly wages from an employer before taxes and other deductions are taken out

Gross income on a pay stub (paid weekly, every two weeks, etc.)

*Money earned from self-employment should be calculated as NET income, which is the amount after business and other expenses are taken out.

3 Add income from all sources together to get your total annual income.

Throughout this guide, you find can more information about words in **bold italics** on p.10, "Helpful Terms."

There are different ways you might receive income.

Some examples:

- A paycheck every 2 weeks
- Tips in cash at each shift
- Any kind of weekly or monthly payment, such as child support, pension, or unemployment benefits
- Holiday bonus every year

Income might be called different things.

Some examples:

- Salary
- Wages
- Earnings
- Payments

All of this money is *income*.

You will need to include it on your affordable housing application. If you go to an interview for affordable housing, you will need to bring documents to confirm your income.

WHAT INCOME IS INCI LUDD?

What Income is Included?

There are 3 main kinds of Income on the affordable housing application.

1. INCOME FROM EMPLOYMENT

Money you are paid by an employer. This includes tips, bonuses, overtime, and other kinds of pay. If you receive a W-2 tax form, that money is *Income from employment*.

On the application, include the amount before taxes or other money is taken out (*gross income*).

For example:

- Annual salary
- Wages, including cash, paid on a *regular basis*
Examples: *Weekly* • *Every 2 weeks* • *Twice a month* • *Monthly*
- Occasional or episodic work for an employer
Examples: *Weekend jobs for a catering company* • *Per diem (daily) healthcare jobs for a hospital or agency*
- Seasonal work
Examples: *Holiday season retail* • *Summer work for a roofing company*
- Tips
- Vacation pay
- Overtime
- Bonuses and commissions you receive on a regular basis

2. INCOME FROM SELF-EMPLOYMENT

All of the money you receive in a year from working for yourself, freelancing, or being an independent contractor.

On the application, include the amount after taking out business expenses and other deductions (*net income*).

For example:

- "Business income (or loss)" on your tax return
- Income from owning your own business
- Freelancing
Examples: *Writer or artist paid directly by clients*
- Being an independent contractor or consultant
- Being an independent service provider
Examples: *Taxi driver who owns/rents cab* • *Hair stylist who rents space in a salon*
- Seasonal or occasional work for yourself
Examples: *House cleaner paid directly by owner* • *Running your own catering business in the summer*

3. INCOME FROM OTHER SOURCES

All of the money you receive in a year that is paid on a regular basis, but not from working. For example: child support, social security, unemployment insurance, or interest payments.

On the application, include income from other sources only if you receive it on a *regular basis* (monthly, weekly, etc.)

For example:

- Alimony
- Annuity Payments
- Armed Forces Reserves
- Child Support
- Dividends
- Disability Insurance
- Gift Income
- Interest from Assets
- Pension
- Public Assistance (PA)
- Rental Property Income
- Social Security or SSI
- Unemployment Benefits
- Welfare Assistance
- Worker's Compensation

INCOME FROM EMPLOYMENT

1. Income from Employment

Income from employment is the money you earn from a job. It is what an employer pays you, before taxes or other deductions are taken out (*Gross Income*). On your application, include the amount for an entire year (*annual income*). To learn about including income from owning your own business, go to p. 5, "Income from Self-Employment."

Do you, or any of the people you will live with, have income from...?

- An annual salary
- Hourly, daily, or weekly wages
- Getting paid in cash
- Tips
- Occasional or episodic work for an employer
Examples: Work for a catering company • Per diem (daily) healthcare jobs for a hospital or agency
- Seasonal work
Examples: Holiday season retail • Summer work for a roofing company
- Vacation pay, overtime, bonuses, or commissions

These are sources of *income from employment*. If you said yes to any of these, include the amounts in the "Income from Employment" part of your application.

HOW TO CALCULATE ANNUAL INCOME

It is important to add all of your income into a yearly, or annual, total. If you are paid regularly (such as weekly, every 2 weeks, twice a month, etc.), you must take these important steps to figure out your annual income.

Note: If you are applying online in NYC Housing Connect, you do not need to do this calculation. It happens automatically as you fill out the income information in your profile.

Option 1: Convert hourly wages to annual income:

\$ you get paid for 1 hour

hours you usually work in 1 week

weeks you usually work in 1 year

= annual income

Option 2: Convert wages paid on a regular basis to annual income.

How often do you get paid?

- ▶ Every week:
\$ paid each week x 52 = annual income
- ▶ Every 2 weeks:
\$ paid every 2 weeks x 26 = annual income
- ▶ Twice a month:
\$ paid twice a month x 24 = annual income
- ▶ Once a month:
\$ paid each month x 12 = annual income

REMEMBER

Income from employment should be before taxes and other money or deductions are taken out. (This is called *gross income*). You must include gross income for each employer for the entire year.

INCOME FROM SELF-EMPLOYMENT

2. Income from Self-Employment

Income from self-employment is all of the money you earn in a year from working for yourself, freelancing, or being an independent contractor. On your application, include the amount for the entire year, minus business expenses (*net income*). If you don't earn the same amount every year, also go to the next page, "Estimating Annual Income from Self-Employment."

Do you, or any of the people you will live with...?

- Receive 1099 tax forms
- Own your own business
- Work as an independent service provider
Examples: Taxi driver who owns/rents cab
• Hair stylist who rents space in a salon
- Do freelance work
Examples: Artist, writer, or graphic designer paid directly by clients
- Work as a consultant or independent contractor
Example below
- Work for yourself on an occasional or seasonal basis?
Examples: House cleaner paid directly by owner
• Babysitter paid directly by the family • Running your own catering business in the summer

These are sources of *income from self-employment*. If you said yes to any of these, enter "self" in the employer part of the application and report the net income amounts.

HOW TO CALCULATE NET INCOME FROM SELF-EMPLOYMENT

1. Start with the total amount of money that comes into your business in a year. (On your 1099 tax form, this is "gross receipts.")
2. Subtract business expenses and any other deductions.
3. This is your *net income from self-employment*.

What is an independent contractor?

An *independent contractor* is someone other than you who hires you to do a certain kind of job when needed. Usually the contractor and the person hiring them have an agreement or contract.

Example: Nicole the Painter

Nicole is a painter and works as an *independent contractor*. She has all of her own paintbrushes, ladders, and other supplies, and people hire her to paint their apartments. Before she begins a painting project for anyone, they agree on how much money she will be paid per hour and sign an agreement. When Nicole is finished painting, she tells the person how many hours she worked, and the person writes her a check or gives her cash.

REMEMBER

On the application, the income from self-employment amount should be *after* business and other expenses are taken out. This is called *net income*.

ESTIMATING ANNUAL INCOME FROM SELF-EMPLOYMENT

You might not make the exact same amount of money from self-employment every year. That's okay. Use these steps to estimate your annual income from self-employment.

1. You will need the last 3 years in a row of tax returns for this type of self-employment work.
 - > If you do not have information for 3 years, use the last 2 years in a row.
2. Look at the net profit amounts on the tax returns.
 - > On a tax return, see line 12, "Business income (or loss)."
 - > On a Schedule C form, see line 31, "Net profit (or loss)."
3. Do you think you will make about the same amount of money this year as you did in past years? If yes, calculate the average and include that amount on the application. (See below for how to calculate the average).
4. Do you expect the amount of money this year to be different from past years? If yes, include the amount you expect to make this year.
5. If you lost money one year, use \$0.00 for that year. Do not use a negative number. See "About Averages" below for more information.
6. Make sure that you have documents to show the amount you have made in the past (such as tax returns) and the income you think you will make this year (such as a letter from your accountant or business manager, financial statements, budgets, receipts, or other information).

Example:

David's
Catering

David works for the government during the week, but a few years ago he also started a catering business on summer weekends to make extra money. The business is growing. Every year David's business makes a little more money than the year before:

- 3 years ago, the business made \$5,000.
- 2 years ago, it made \$7,000.
- Last year, it made \$9,000.

Based on the trend of the past 3 years, David expects to make \$11,000 this year from catering. He should put \$11,000 on the application where he enters his self-employment income. This is in addition to the salary he earns in his government job.

ABOUT AVERAGES

If you think that this year you will make about the same amount as you did the last 3 years, calculate the average of those years and enter it on your application.

Here's how:

1. Find the net profit amounts on your tax returns from the last 2 or 3 years in a row.
2. Add up all of those amounts.
 - > Are any of the amounts negative (Example: \$ - 924.00)? If yes, use \$0.00 for that year instead.
3. Divide that number by how many income amounts you started with.
 - > If you had amounts from 3 years, divide the number by 3 to get the average.
 - > If you had amounts from 2 years, divide the number by 2 to get the average.
4. Enter the average in the "Income from Self-Employment" part of your application.

3. Income from Other Sources

You or the people you will live with may have income that doesn't come from a job or self-employment. If you receive this *income from other sources* on a regular basis, you must also include it on your application.

Do you, or any of the people you will live with, receive income on a regular basis from...?

Note: Include income from children under 18.

These are examples of *income from other sources*. If you said "yes" to any of these, include the amounts in the "Income from Other Sources" part of your application.

REMEMBER

- Include *income from other sources* only if you receive it on a regular basis (such as weekly, every two weeks, monthly, or yearly). Do not include *one-time* payments.
- On the application, include the amount of money you would receive in a full year from each source. Do this even if you are not receiving the payment for a full year.
For example: You receive *unemployment payments* every week, but you know that the payments will end in a few months. Include the total amount you would receive in one year if the payments were not going to end. Go to p. 4 to learn how to calculate annual income from regular payments.

* Do you receive court-ordered child support and public assistance (PA)? Make sure to include the full amount of child support paid. For example, if you get "pass-through" payments, the full amount of child support paid could be different than what you get each month.

** Your public assistance income will be calculated according to rules for "as paid" localities. If you go to an interview, the interviewer will ask you for documentation to include this calculation.

What is gift income?

If people who you do not live with give you money or help pay your bills on a regular basis, this is *gift income*. You must include it in your income calculation.

Examples:

- Your parents pay your electric bill every month, and the average is about \$100 per month. You must include the \$100 per month in your income on your application.
- A friend or relative gives you \$20 in cash every week to help with your expenses. You must include the \$20 per week in your income on your application.

If you are invited for a housing *interview*, you will need documents to prove that you receive this gift income on a regular basis. For example, make sure that you deposit cash payments right away in your bank account so that your bank statements show that you are paid regularly. You can prove that someone else pays bills for you with copies of their cancelled checks.

Note: The following are not gift income and should not be included in your income calculation: (1) gifts of groceries for children in your household, (2) the value of free or reduced school lunch, or (3) the value of meals provided to the elderly or needy.

Income Not Included

There are some exceptions to what is included as income:

- Income from employment for children under 18 years old
- Any income over \$480 earned by a full-time dependent *student* over 18 years old
- Lump-sum payments
Examples: insurance payouts • inheritance
- One-time, non-recurring, or sporadic income (including *one-time gifts*)
- Payments or reimbursements for medical expenses
- Payments for caring for foster children
- Student assistance paid to student or educational institution
- Dollar value of food stamps or SNAP
- Gifts of groceries for children in your household
- Value of free or reduced school lunch
- Value of meals provided to elderly or needy

Do not include these items in your income calculation.

Frequently Asked Questions

INCOME FROM EMPLOYMENT

Why do I need to figure out my annual income? Can't I just put what I made last year?

You and the people you live with will be *eligible* based on how much money you make in the future. It is a good idea to look at tax documents from last year, but this is not enough. Every year is different. This is why you must enter the amount you currently make, and how often you get paid. It is also why you must include bonuses that you receive or expect to receive *on a regular basis*, and *income from other sources*.

My adult daughter is a full-time student who works after school. Is her income included?
If a full-time student over 18 years old is claimed as a dependent by parents or guardians, only \$480 of his or her *income from employment* is included as income.

I get paid in cash. How can I prove this is my income?
It is important to keep a record of your cash income. Every time you get paid in cash, write down the amount of money, date, and who paid you. Keep this record of cash payments in a safe place.

If you have a bank account, deposit the cash right away. This is so that the bank will have a record that you were paid regularly. It's okay if you need to take the money out of the bank again. Your bank statement will still show the deposit.

Remember if you make more than a certain amount of cash income, you must also report it on your tax return. Your tax forms will say what that amount is.

I get paid on an occasional or episodic basis. How do I calculate my income?
It can be difficult to calculate your annual income if you do not get paid on a *regular basis*. Working for a caterer, some weekends to make extra money, per diem (daily) healthcare jobs, temp jobs, and acting work can be examples of occasional or episodic work you do for an employer.

Have you earned income on an occasional or episodic basis over the last 3 years? If yes, add the amount you made for all three years together and divide by 3. This number is your average annual income from that work. Then estimate how much you will earn this year from that same type of work. Compare that number to your annual average. Which is higher? Use the higher number in the "income from employment" section of your application.

What happens if my income changes after I apply, and then I get invited to an interview for housing?
Keep all of the documents and records that confirm your income now. If your income changes (for example, a new job or a raise), also bring documents showing how much you will be earning in the future. The interviewer will recalculate your income.

INCOME FROM SELF-EMPLOYMENT

I have been invited to interview for affordable housing. What documents do I need to confirm my self-employment income?

You will need to confirm how much you have made in the past from this type of work, and how much you expect to make this year.

To confirm past income, bring your last 3 years in a row of tax returns for self-employment in this type of work. You may bring information from the past 2 years in a row if you do not have 3.

To confirm the income you expect to make this year, bring a letter from your accountant or business manager, financial statements, budgets, receipts, or other information that supports the amount of money you expect to make.

What if I have been self-employed in a certain type of work for less than 2 years?

You will need documents showing that, as of the date of your interview, you have been self-employed in this type of work for 2 years or more. If you are unable to provide this information from the past 2 years in a row, it is likely that you will not be eligible.

Even if you think this may be the case, you must still include your *net income from self-employment* on the application. Don't leave out any income. It can take several months until you hear about an interview, so it may be possible that you will have 2 years of self-employment income at that point. Be sure to bring documents to the interview that show how much you have already made from this type of self-employment, and how much you will make this year.

Helpful Terms

Affordable Housing: Housing in New York City for people with incomes under a certain amount. Typically, housing is called "affordable" if a person pays up to approximately one-third of his or her income for rent or housing costs.

Annual Income: The amount of money you are paid in one year, calculated from gross income from employment, net income from self-employment, and income from other sources.

Assets: Assets are items of value that may be turned into cash. A savings account is a cash asset. The bank pays interest on the asset. The interest is the income from that asset. Other examples: stocks, bonds, mutual funds, money market accounts. See **Interest from Assets**, below, for more information.

Eligible/Eligibility: Your income must fall between certain limits and meet other application requirements to qualify for affordable housing. Other requirements include providing documents to prove your income and passing a credit and background check. If you and the people you will live with meet all of the requirements, you are eligible.

Gift Income: Income you receive on a regular basis from someone who does not live with you. For example: Your parents pay your utilities every month, or a friend or relative sends you a check to help with groceries and other expenses on a regular basis. Gift income can be in cash, but does not have to be.

Gross Income: Your annual (yearly) total earnings, wages, payments, or other money you receive from jobs and other sources, before any taxes are taken out. This is usually more than your take-home pay. Most people will report gross income on their applications. People who are self-employed report net income from self-employment instead.

Income: Earnings, wages, payments, or other money you receive.

Income from Employment: Income for work you do for an employer (not yourself). Gross income is used to report income from employment.

Income from Other Sources: Income you receive on a regular basis that does not come from a job. For example, Social Security or veterans' benefits, public assistance, or child support.

Income from Self-Employment: Income you earn working for yourself, owning a business, or providing services. This includes freelancing, independent contracting, and other work-for-hire. Net income is used

for income from self-employment on the application. If your net income is \$400 or more in a year, you must report that income on your application. *Note: If your business is an S-corporation, gross business income reported on Schedule K-1 is used in addition to gross W-2 wages earned.*

Independent Contractor: A person or business whom other people hire to do a certain kind of job when needed. Usually the contractor and the person hiring him or her have an agreement or contract.

Interest from Assets: If you go to an interview, the people interviewing you will calculate your interest income from assets like bank accounts and other investments. If all of your assets are worth less than \$5,000, the interest they earn is added to your income. If all of your assets are worth more than \$5,000, either the interest they earn or 0.06% of their value is added your income, whichever amount is greater.

Interview: After the application deadline, all applications are put into a random order. Starting at the top of the list, applications are reviewed and if they appear eligible, applicants are called for an interview to continue the screening process. If you are invited for an interview, you will need to bring documentation that confirms your income.

Net Income: The amount of income received after subtracting taxes, expenses, and other deductions. Net income is used to calculate income from self-employment.

Occasional or Episodic Income: Recurring income that is not paid at a consistent or expected time interval. Temp jobs, seasonal work, or acting jobs can be examples of recurring work paid on occasional or episodic basis.

One-time Payment: Income not received on a regular basis in the past and that you do not expect to receive again in the future. This money is not included in the income calculation.

Regular Basis/Regularly: If you receive income from any source on a regular basis, or "regularly," this means you are paid at a consistent or expected time interval. Income paid every day, every week, every 2 weeks, twice a month, once a month, every quarter, or every year are examples of income paid on a regular basis.

Student: A person with full-time student status (according to the person's school) for 5 months of the calendar year. The 5 months do not need to be consecutive. Only \$480 of a full-time dependent student's income from employment is included in the income calculation.

ANNUAL NOTICE

PROTECT YOUR CHILD FROM LEAD POISONING AND WINDOW FALLS

New York City law requires that tenants living in buildings with 3 or more apartments complete this form and return it to their landlord before February 15, each year. If you do not return this form, your landlord is required to visit your apartment to determine if children live in your apartment.

Peeling Lead Paint

By law, your landlord is required to inspect your apartment for peeling paint and other lead paint hazards at least once a year if a child under 6 years of age (5 years or younger) lives with you.

- You must notify your landlord in writing if a child under 6 comes to live with you during the year.
- If a child under 6 lives with you, your landlord must inspect your apartment and provide you with the results of these paint inspections.
- **Always report peeling paint to your landlord. Call 311 if your landlord does not respond.**
- Your landlord must use safe work practices to repair all peeling paint and other lead paint hazards.

These requirements apply to buildings with 3 or more apartments built before 1960. They also apply to buildings to buildings built between 1960 and 1978 if the landlord knows that lead paint is present.

Window Guards

By law, your landlord is required to install window guards in all your windows if a child under 11 years of age (10 years or younger) lives with you, OR if you request them (even if no children live with you).

- ONLY windows that open to fire escapes, and one window in each first floor apartment when there is a fire escape on the outside of the building, are legally exempt from this requirement.
- It is against the law for you to interfere with installation, or remove window guards where they are required. Air conditioners in windows must be permanently installed.
- Window guards must be installed so there is no space greater than 4 1/2 inches above or below the guard, on the side of the guard, or between the bars.

These requirements apply to all buildings with 3 or more apartments, regardless of when they were built.
